The learner will be liable for any debt recovery and/or legal costs associated with this.

Learners who wish to make a complaint or appeal regarding fees should refer to the Complaints and Appeals Process found in this handbook.

Deferment and Withdrawal of Enrolment – Domestic Learners

Should a learner wish to defer or withdraw their enrolment in a course prior to commencement or during any given study period, they will be required to provide written notification to the Learner Liaison Officer. A learner will only be granted approval to defer commencement or suspend studies of a course on medical grounds (with a medical certificate) or other exceptional compassionate circumstances. Withdrawal will be granted following a verbal discussion with the Training Manager regarding the decision to withdraw.

Following your application for deferment, the Learner Liaison Officer will contact you to negotiate a recommencement date for your studies. You will be required to sign a new confirmation of enrolment form agreeing to the payment terms in the instance the tuition and incidental expenses differ from the original course enrolment. Any money paid prior to deferment, will be deducted from your new course enrolment.

Please note, the maximum deferment for any enrolment is 24 months and a learner is only able to defer once during any given course. If you are unable to recommence on the agreed date within this timeframe, you will be withdrawn from the course and the deposit is non-refundable.

If a learner chooses to withdraw their enrolment up to three weeks prior to the course commencement date, the deposit will be refunded (minus \$100 administration fee). If withdrawal occurs after this time, the deposit is non-refundable and fees must be paid for any training provided prior to the withdrawal application. Please allow 30 days from the date of receiving written notification of withdrawal for any refunds to be processed.

Media Makeup reserves the right to defer, temporarily suspend or cancel the enrolment of a learner on the grounds of misbehaviour (breach of Media Makeup Policies & Procedures). In this situation, Media Makeup will inform the learner in writing of the intention to defer, suspend or cancel their enrolment and request that they attend a meeting with the CEO. During this meeting the reasons for the suspension, deferment or cancellation will be discussed and the learner will be advised they have 20 working days in which to access the complaints and appeals process. If the complaints and appeals process is accessed by the learner any changes to enrolment will not take place until this process is completed.

Recognition of Prior Learning and Credit Transfer

If a learner, enrolled or applying to enrol in a course with Media Makeup has previously completed any component of the aforementioned course, or feel they have sufficient knowledge, skills and/or experience to demonstrate competence in any units of competency, they are welcome to apply for Recognition of Prior Learning (RPL) or Credit Transfer.

Media Makeup will recognise units of competency (or their equivalent) issued to a learner by any authorised organisation including other RTO's and Universities. Learners must present their qualifications, statements of attainment or record of results with their initial enrolment application to allow adequate time for processing course credit.

A learner is able to apply for RPL for a full qualification, individual units of competency, or in some instances, components of the unit of competency. RPL applications can be accessed via our website and should be forwarded to the Learner Liaison Officer as early as possible to allow adequate processing time.

Once your application has been received you will be contacted by the Learner Liaison Officer to schedule an RPL meeting at least 2 weeks prior to your course commencement. At this time, you will be forwarded an RPL template to help determine and gather the appropriate evidence to support your RPL application. You must bring this with you to the RPL meeting. Once your application and supporting evidence has been assessed and it has been determined what (if any) components of the course you will receive RPL for, you will be sent a confirmation letter with any changes to the training and assessment requirements as well as any fee adjustments.

Please note, all RPL applications will incur \$100 administration fee for processing and assessing the application.

Issuance of qualifications

Once the learner has successfully completed all aspects of their enrolled course, and any outstanding fees have been paid, they will be eligible to receive their certification documentation. Learners should allow up to 30 calendar days from the date of their final assessment or last day of the course for their documentation to be issued.

The learner will be notified via email that their certification documentation and relevant course paperwork is available to be collected from the Academy. The learner will then have two weeks to collect the documents.

Please note that the learner must collect the documents in person to show Photo ID and sign for verification that they have received certification documents.

If the learner is unable to collect the qualification from the academy within the two-week timeframe, the qualification will be posted via Australia Post, Registered Mail. Learner's will be required to cover the \$20 administration and postage costs for Registered Mail delivery.

If a learner has lost or misplaced their parchment, statement of attainment or Statement of results, you may request a replacement for a fee of \$50. To request a replacement copy, please visit the Media Makeup website, Learner Services > Download Forms. Complaints and Appeals

Media Makeup has an established Complaints and Appeals Policy and Procedure to ensure that any concerns or matters (academic and non-academic) from learners (current and/or prospective) are treated in an effective, efficient, timely, fair and confidential manner.

A complaint can be defined as a person's expression of dissatisfaction with any aspect of Media Makeup's services and activities, including both academic and non-academic matters, such as:

- The enrolment, induction/orientation process in a VET course of study
- The quality of education and support provided
- Academic issues, including learner progress, assessment, course content or availability and standard of instructional resources
- Handling of personal information and access to personal records
- Marketing or other promotional activity
- Fees and charges
- Safety matters
- Administration matters

An appeal is an application by a learner for reconsideration of an unfavourable decision or finding during training and/or assessment. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be lodged within 20 working days of the decision or finding being informed to the complainant.

The following principles will be adhered to by Media Makeup and apply to all stages of the complaints and appeals procedure:

- Media Makeup deals with any and all complaints in a fair, constructive and timely manner.
- The Complainant and any Respondent have the opportunity to present their case at each stage of the procedure
- The Complainant and any Respondent have the option of being accompanied/assisted by a third party (such as a family member, friend, or counsellor) if they so desire. Where a Complainant/Respondent is under the age of 18, their legal guardian must be present for all correspondence.
- The Complainant and any Respondent is not discriminated against or victimised. At all stages of the process, discussions relating to complaints and appeals are recorded in writing. Reasons and a full explanation in writing for decisions and actions taken as part of this procedure are provided to the complainant and/or any Respondent if requested.
- Records of all complaints are kept for a period of 5 years to allow parties to the complaint appropriate access to these records. These records are kept strictly confidential in line with our Privacy Policy and are stored electronically in a secure area at Media Makeup. Access to these records may be requested in writing to the CEO at bec@mediamakeup.com.au or posted to PO Box 3090 Rundle Mall SA 5000.
- Media Makeup and the Complainant/Respondent observes strict confidentiality during all stages of the complaint resolution process. All communications and proceedings relating to the complaint and its resolution remain confidential.
- Complainants have the right to appeal a decision.
- No learner, employee or other stakeholder will be disadvantaged in any way during the complaint and resolution process.
- A learner's progress through a study program is not disrupted whilst a complaint is being heard unless the nature of the issue itself means further progress is not possible.

Before a complaint becomes formal

Complainants are encouraged, wherever possible, to resolve concerns or difficulties informally with the person(s) concerned. This may be the trainer/assessor for academic issues such as delivery or assessment of their course, Learner Liaison Officer for matters relating to fees or refunds, or administration staff for matters relating to marketing or safety matters. Staff are available to assist the resolution of issues at this level. Complainants may raise an informal complaint by contacting the relevant person directly or by contacting them by email/phone.

In addition, learners are regularly provided with the opportunity to provide feedback that enables them to express any concerns they may have encountered with Media Makeup in relation to academic and non-academic matters. Feedback is encouraged at any stage and common feedback collection tools include:

- Session Feedback forms provided after sessions
- Surveys, including Quality Indicator Surveys
- Direct email to a Course Coordinator or trainer highlighting a concern
- Feedback can be given verbally at anytime directly to a staff member in person by a learner.

Where a Complainant is satisfied that their issue has been dealt with accordingly and does not wish to formalise their complaint, the relevant staff member will document notes including outcomes on the Complainant's file and where necessary, record the issue on our internal complaints register for procedural follow up.

Formal Complaints

Stage 1 - Internal

Complainants who are seeking to lodge a formal complaint are to do so in writing and submit to their trainer or info@mediamakeup.com.au or PO Box 3090 Rundle Mall, Adelaide SA 5000

The Training Manager will then assess the complaint, seek further clarification if required, determine the outcome and advise the Complainant of their decision in writing within 10 working days. The Complainant will be advised of their right to access Stage 2 of this procedure within 20 working days, if they are not satisfied with the outcome of Stage 1.

Stage 2 – Internal

If the Complainant is not satisfied with the outcome of Stage 1, they may lodge an appeal in writing within 20 working days, to the CEO at bec@mediamakeup.com.au or PO Box 3090 Rundle Mall, Adelaide SA 5000.

The CEO (who is senior to the original decision maker) will further review the Complainants appeal by conducting all necessary consultations with the Complainant and other relevant persons, to resolve the issue and make a determination on the appeal. The Complainant will be advised in writing of the outcome of their appeal, including the reasons for the decision,

within 10 working days of receiving the appeal. The Complainant will be advised of their right to progress to Stage 3 of this procedure if they still consider the matter unresolved.

Please note, Stage 3, the external appeals process can only be accessed once the internal Complaints and Appeals process has been completed in full.

Stage 3 - External

If the Complainant is not satisfied with the outcome of Stage 2, they may request that the matter be referred to an external dispute resolution body (independent body) appointed for this purpose by Media Makeup.

The details for the external dispute body are:

Office of the Training Advocate
Level 5, RAA Building

HOW WE CAN SUPPORT YOU

During your time with Media Makeup, learners may require additional support to assist in their learning and development that may not have been identified at the time of enrolment or has become apparent throughout the course duration. The level of support will vary depending on the individual learner's needs. If in the instance additional support is required over and above what is provided in the classroom, trainers will refer the learner to the Student Liason for a meeting to assess the level of support required and put an action plan or a learning adjustment plan into place.

Types of support may include:

- Private Tuition with a trainer to provide additional one on one support with either written or practical exercises.
- Additional trainer support by another trainer in the classroom.
- A special need may be identified and fairness and flexibility with assessment may need to be applied. This could range from verbal questioning instead of written, extra time to complete assessment tasks or variation of tasks given.
- If a physical disability is identified, additional equipment may be put in to place to assist with the practical tasks, or adjustments may need to be made in the academy to allow for greater access.
- In extreme cases, if English is a second language, referring the learner to an external LLN specialist is an option. This may result in a deferment of training and an English Language course may be undertaken.
- Additional group study time on a Friday is available to all learners free of charge.

Counseling

A coordinator will be able to assist learners with matters that relate to their course. This can include assisting a learner to prioritize their workload and provide study tips or advise on how learner support services can be accessed. If a trainer notices that a learner is in need of counseling, they are to make an appointment with their coordinator for a progress counseling session. If a coordinator believes that the learner is need of extreme emotional or mental advice or support, Media Makeup will refer the learner to Medical/ Counseling Professionals. Media Makeup staff are not professional counselors therefore are not able to offer advice or recommendations relating to personal matters.

Adelaide Fashion Festival 2016

Study Support and Private Tuition

If a trainer identifies that a learner is falling behind with their course requirements, they will advise the learner of the option of additional study support including private tuition. This is available to all learners. In some cases, private tuition can be compulsory if the learner is in breach of the course progress and attendance policy. Private tuition includes theory based topics being demonstrated in a one on one meeting with an assessor where training and verbal questioning will take place to ensure the learners understanding of all Assessment and Training criteria. Private tuition can be arranged at a cost of \$40 per hour. Alternatively, the learner may attend additional classes with another group (where available) free of charge.

Language, Literacy & Numeracy Support

Media Makeup will provide all the necessary assistance for any learner wishing to undertake training with the academy; this includes learners who may have difficulty with Language Literacy and Numeracy (LLN). Learners will be required to complete an LLN indicator assessment tool during their pre-enrolment interview to determine any specific requirements or needs adjustments of their training. All trainers have the necessary skills to assist learners requiring LLN support.

Options available to learners requiring LLN support may include:

- A personalised training plan with additional coaching throughout the course to assist the learner in meeting the units of competency.
- Engagement of the services of a LLN specialist to determine the LLN level and degree of support required
- The trainer may provide additional assistance provided to the learner by the relevant staff at Media Makeup. This may be through peer support and or additional coaching during or after training sessions.

Unique Student Identifier Consent Form

What is the Unique Student Identifier?

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI).

Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016. When applying for a job or enrolling in further study, you will often need to provide your training records and results (transcript). One of the main benefits of the USI is the ability to provide students with easy access to their training records and results (transcript) throughout their life. You can access your USI account online from your computer, tablet or smart phone anytime.

If you don't have a USI you can complete the following form and Media Makeup will apply for a USI on your behalf, if you have a USI already please include your USI on the application form or notify the enrolling officer at your interview.

Privacy Notice

If you do not already have a Unique Student Identifier (USI) and you want Media Makeup to apply for a USI to the Student Identifiers Registrar on your behalf, Media Makeup will provide to the Registrar the following items of personal information about you:

- your date of birth, as it appears, if shown, in the chosen document of identity;
- your city or town of birth;
- your country of birth;
- your gender; and
- your contact details.

When we apply for a USI on your behalf the Registrar will verify your identity. The Registrar will do so through the Document Verification Service (DVS) managed by the Attorney-General's Department which is built into the USI online application process.

You need to provide ONE of the following: Medicare card, birth certificate, driver licence, Australian passport, citizenship document, certificate of registration by descent, ImmiCard or Australian entry visa.

If you do not have a document suitable for the DVS and we are authorised to do so by the Registrar we may be able to verify your identity by other means. If you do not have any of the identity documents mentioned above, and we are not authorised by the Registrar to verify your identity by other means, we cannot apply for a USI on your behalf and you should contact the Student Identifiers Registrar.

In accordance with section 11 of the Student Identifiers Act 2014 Cth (SI Act), we will securely destroy personal information which we collect from you solely for the purpose of applying for a USI on your behalf as soon as practicable after the USI application has been made or the information is no longer needed for that purpose, unless we are required by or under any law to retain it. The personal information about you that we provide to the Registrar, including your identity information, is protected by the Privacy Act 1988 Cth (Privacy Act). The collection, use and disclosure of your USI are protected by the SI Act.
