Refund Policy

Deposit
If a deposit is required on enrolment this will confirm a position in the course. The deposit is part of the total course fee. The deposit is refundable up until three weeks prior to the course start date, after which it is not refundable. In the event of a deposit refund, an administration fee of $100.00 will be deducted from the deposit amount. Written notification is required in the event of requesting a deposit refund.

Student Default and Withdrawal from Course
Students are required to provide written notification of withdrawal from any course or course component, prior to the commencement of the enrolled course. If a student withdraws from the course prior to the course start date but after the three week deposit deadline the deposit is non-refundable, however any further prepaid course fee and incidental expenses will be refunded, less a $100 admin fee. The student may defer their course to another intake date within a 24 month period from the initial course start date.

If a student withdraws from the course after commencement of the course, then the student is required to pay any fees owing for the weeks completed in the program. In that case, fees may be refunded on a pro-rata basis, for example if 50% of the course program has been delivered then 50% of the fee paid minus the original deposit. All refunds claims will be paid to the student within two weeks from the date of receiving the notification of withdrawal. Refunds incur an admin fee of $100.00.

Deferment of Enrolment
Students are required to provide written notification of deferring from any enrolled course or course component. A student is only allowed to defer commencement or suspend studies of a course on medical grounds (with a medical certificate) or other exceptional compassionate circumstances. An enrolment can be held no longer than 24 months from the original start date.

Media Makeup Academy reserves the right to defer or temporarily suspend the enrolment of the student on the grounds of misbehaviour (breach of Media Makeup Policies & Procedures) by the student. In this situation Media Makeup Academy will inform the student in writing of the intention to suspend or cancel the student's enrolment and that the student has 20 working days in which to access the complaints and appeals processes. If the complaints & appeals processes are accessed by the student then the deferment will not take place until the internal process is completed.

Misbehaviour (breach of Media Makeup Academy Policies & Procedures) of students can also be grounds for cancellation of the course program and in this situation the student will be informed of this prior to enrolment.

There is no monetary action on deferments, however, please note that courses may be subject to change and you are required to check with Student Administration, at the beginning of the year in which you intend to re-enrol, to ensure that re-enrolment is possible.

Complaints & Appeals Policy (extract from Learners Handbook)

All personal complaints will be handled in a fair and impartial manner according to process outlined in this policy. This formal complaints procedure has been provided to ensure all learner complaints are heard fairly and impartially to reach effective resolution.

All learners are encouraged to adhere to this policy by bringing all problems and complaints firstly to the attention of the Course Coordinator or Training Manager. The purpose of this policy is to give the Trainers and Learners an opportunity to clear up problems, misconceptions, disputes or misunderstandings of any kind. It should be considered a formal method of assuring everyone just and suitable treatment. In order for this procedure to be successful, everyone must want it to work and use it when informal methods prove unsatisfactory.

All complaints will be discussed and documented with the Training Manager or CEO. Within three (3) working days following this initial discussion, the Training Manager or CEO will consider the matter and make every effort to mutually resolve the situation to everyone's satisfaction.

• If the issue cannot be resolved mutually to everyone's satisfaction within that three (3) working day period, additional time to gather sufficient and more comprehensive information may be jointly agreed upon.

• A meeting between the parties involved in the dispute will be held to try and resolve the issue.

• If the matter remains unresolved, the learner may file a written complaint and submit it to the CEO.

• The CEO will provide the learner with an answer within ten (10) days of this written report.

• If the issue is not resolved satisfactorily, the learner may choose to contact and external body the Office of the Training Advocate 1800 006 488 or Australian Skills Quality Authority (ASQA) info line 1300 701 801

Please note that you can make a complaint to the external body once the internal procedure has been completed and only when the compliant has not been resolved to your satisfaction.

Any party involved in a compliant has the right to have a support person present in any meetings.

No learner will be discriminated against or retaliated against for lodging a personal complaint. Any discrimination or retaliation will result in disciplinary action, which may lead to termination of the course contract.

When a student has had disciplinary action from the Academy the Learner has 20 working days to access the complaints and appeals procedure
